

For Immediate Release

Playhaus Thonglor
a new member of Chic and Stylish Hotel Collection

Chic and Stylish Hotel Collection, Bangkok, 30th October 2014:

Chic and Stylish Hotel Collection is pleased to welcome Playhaus Thonglor as a new member to the group. This is the ninth property that has joined the group after three other boutique properties in Bangkok, two in Pattaya, one in Cha-am/Hua Hin, one in Koh Samui and one in Phuket.

Located on one of Bangkok's vibrant and most trendy streets – Thonglor, Playhaus Thonglor is approximately 300 metres from BTS Thonglor between Thonglor Soi 9 and 11. This unique place targets at a discerning, artistically minded clientele, who appreciates theme design hotels with strong individual personality. Inspired by the world's famous "Moulin Rouge", Playhaus Thonglor depicts the "Theatrical" design them with a touch of renowned Thai hospitality.

The special highlights of the property include its 20 guestrooms that portray four different famous plays, including "Romeo & Juliet", "Mary Poppins", "Aladdin", and "Behind the Painting". Each floor is dedicated to one play with three different major scenes selected to create new unique ambience. All guestrooms including public areas are extremely photogenic and are set to become one of Bangkok's hot spots for photo / fashion shoots.

"Behind the Scene" is a multi-purpose lounge, bar and reception area, where guests feel as if they are sitting inside the dressing room behind the stage after the red curtain. Selective tea flavours and freshly brewed coffee are being served during the day and special mocktail and cocktail beverages are served at night. "Behind the Scene" is an ideal place for those looking for a trendy little place for small chit chat or a favourite night hang-out with friends and/or colleagues.

The property is scheduled to have its soft-opening on 19th December 2014. For more information, visit the property's website: www.playhausthonglor.com.

(ends)

Playhaus Thonglor - Exterior

Playhaus Thonglor – “Behind the Scene”
